Gentlemen:

The Agency has concluded the evaluation of architectural-engineering firms for the design of the new Headquarters Building in Langley, Virginia. I am pleased to advise that your firm has been selected, subject to successful negotiation of the contract.

This letter and enclosures constitute a Request for Proposal which requires your prompt attention and response. The enclosures are as follows:

1. Administrative Information
2. Statement of Work
3. Program Requirements
4. Representations, Certifications, and Other Statements of the Offeror
5. GSA Handbook, PBS P 3440.5

Your response should be received by the Agency no later than COB 27 August 1982. Any questions on the project or the enclosures should be directed to [REDACTED] of the Building Planning Staff, [REDACTED]
